

PUAFER005 Operate as part of an emergency control organisation

by Safety Corp Pty Ltd, Registered Training Organisation (RTO) 91694

This nationally recognised training is offered by, or on behalf of Safety Corp Pty Ltd (RTO 91694). Training, assessment, and related educational and support services may be provided by an authorised third party training provider.

Safety Corp Pty Ltd is responsible for the quality of the training and assessment in compliance with government legislation, and for the issuance of certificates, including where services are provided by an authorised third party provider.

Overview

The course we deliver is highly practical and focused on developing skills you can put into practice in real emergency response. This course is also known as " Fire warden or Warden " .

Our Warden training course satisfies Australian Standard AS 3745:2010 and is intended for Fire Wardens and other staff members who form part of the Emergency Control Organisation (ECO).

Participants will be required to carry various pieces of emergency equipment including fire extinguishers weighing as much as 25kg.

Certain workplaces may require additional or specialised training for high-risk environments. If you are unsure whether the training product is right for you, please seek advice from the training provider.

Key Learning Outcomes

This unit is specifically targeted to those that are or intend to be members of an Emergency Control Organisation in a workplace, This course teaches the skills and knowledge:

- WH&S requirements
- Chief Warden and Fire Warden's roles and responsibilities
- Emergencies that could occur
- Co-ordination of emergencies
- Evacuating your premises
- Methods of raising the alarm
- Procedures for specific emergencies
- Pre-planning for emergencies
